Candy City & the Magic Scrolls

There was once a very special place, unlike anywhere we've ever known. There was a candy mountain and a big magical forest with a large pond full of chocolate milk. It rained candy, snowed ice cream, and the oceans were made of fruit punch... but there was no gravity! Because of all the candy, the air smelled like chocolate.

The forest was filled with magical crimson red lillies that could grow as big as a human and then turn into gummy bears if they were complimented enough.

The candy mountain was guarded by one majestic shape-shifting

Uniwogon- a unicorn, dragon, wolf mix- that was itself guarded by lots of dragons.

There were lots of ways to get around including gumdrop moon boots, slime that covered your body and helped you bounce places, and chocolate magnets that let you stick to anything!

A sweet little candy house was home to Mr. Gummy, who was made of gummies and had colorful licorice hair. He had special gummy laser powers to help him protect the candy, it was very important to him.

Maximo 7 lived on candy

mountain in the forest. He had a lollipop afro, a labcoat, a chocolate robot suit, ice cream cone horns, and goggles with red lenses. Maximo 7 used to be Mr. Gummy's best friend until they found a scroll that made Maximo 7 evil.

Glowla was also an amazing force of good in this world. She was six feet tall, had a big poofy bun in her hair, wore a mood ring and a purple mask, with black polka dots. She lived in a secret passage under candy mountain and her glowing yellow eyes could shoot healing lasers. She was friends with the Uniwogon and they were working hard to make the land safe so the Uniwogon's sister could return.

Helping Maximo 7 was Jeffy the Marshmallow. He had chubby

cheeks, cried butterfly stone pixie stick sugar, wore a helmet, and liked to dance with bunnies. Jeffy lived in a gingerbread tower on the east end of the forest and could teleport anywhere. Maximo 7 told him that if he didn't help him be evil then he would be sent to the rotten syrup moon.

One day Mr. Gummy and Glowla were having a meeting to discuss how they could protect their world.

"We can't let Maximo 7 and Jeffy the Marshmallow make this place unsafe, I want to bring Uniwogon's sister home!" said Glowla.

Just then, Maximo 7 and Jeffy the Marshmallow burst in. Maximo 7 yelled, "I have the scrolls and I will rule this land forever!"

Mr. Gummy and Glowla stood up to face them and then...
