Creative Creation of Poetic Rainbow Fun

The sprite waterfall is chocolate
and we can taste hazelnuts

Beyond the crash of the
water falling, every bird sings
songs of our mother's lullabies
We smell crispy chicken,

We smell coffee
We smell dried lavender, sweet.

The magical rivers are pink
because of all the cotton candy
rains
and because we add food coloring

We jump in the pink river
and splash hearts that soak
into the grass
The grass becomes a kind color, red
and we are cleaned by the bubbles

the river produces
If you're lucky, you'll find
the invisible water
making you forever young
you forget the worries of adult life
And are happy again.

...

Jordans are red
Jordans are blue
I see a mountain made out of shoes
Worldwide nation
Amazing creation
In the sky raining phones
They be flying like drones
We got limited gravity
Floating through reality
Snowin' on the mountains
and gasoline fountains.

...

Bright singing loving plants
All look alive
100 feet tall or 6 inches small
love is aware
singing is a flair
flora is near

The fish with four legs runs around
ponds
Sleeps all night
And runs all day long
Likes to eat from the pink magical
rivers
Eating the nice, pink candy
Hearts
That taste amazing and shine like
glitter

...

I Kendara
I never say sorry
I like to party

I spit straight fire
It's time you retire
I bring clean water so you can take a
shower

...

Remember when the waterslides
took
us everywhere
the candy forest
we got off and got on
rollercoasters and waterslides the
same
washed away our worries and
throw-up
we want the cure to sadness
we want youth
there were twist we didn't expect
rocking us side to side but,
keeping us safe and cradled
we saw darkness in the tube
but always found the light

...

I Ace
Get straight A's
I'm all over the place
I'm at the top of my game
Reppin' the trees
Rappin' to trees
Helping others catch some sleep

...

If I knew what I know now
standing on the yellow sun
long ago I wouldn't understand.

I'm losing my powers
I need help
"Quick, quick, quick" she demanded

What do I do?
She's panicking
she's losing her powers
there's not much magic
left

...

Unicorn Sally is a very kind

creature
with a winning smile and other nice
features
she has a pet watermelon that has
an amazing
goatee,
always by her side.

Unicorn Sally eats all the mean
plants and
the pineapples that grow from
pineapple trees.
Sharing with the watermelon only
sometimes
Her neon orange skin glows as
she bats her blue eyelashes
and flashes her smile,
pineapple
still in her teeth.

...

One-day uncle Rainbow Bob took a
trip
He walked so far

and found a rainbow land.
as he stepped through the gates he
stopped and looked
with a big smile on his face he saw
the ocean full of ink.
Big red mountains from far away
dotted the skyline
Purple trees and so much more
surround him
He walked up to the strawberry
forest and bit down
On the juicy fruit
His hair became a rainbow, as did
his skin and eyeballs
Teeth turned to diamonds
His afro stayed the same and he was
still very tall
He transformed and moved
underground
built a mansion under the
mountains
That dotted the skyline

rocking rainbow Jordan's he had one
goal
To make the world colorful.

...

In this world
With hot pink stars
And mountains of Jordan's
there was a 100-meter train
that ran on black hair
and curved
and swerved
all
through
the
mountains
It went so fast all the time
Trying to dodge the water blowing
dragons
Despite the protective glass shield
The train circles endlessly
Carrying people around and through
Jordan mountain.
